

Market Range Detail - Director - Internal Audit

Effective Date

July 3, 2006

Market Range Title Description

This position functions as the department head and is responsible for the overall management and direction of Maricopa County's Internal Audit Department. The Director is responsible for planning, directing, implementing, and achieving department strategic goals and objectives related to the department's mission of providing objective, accurate, and meaningful information about County operations so the Board of Supervisors can make informed decisions to better serve County citizens. Additional responsibilities include: overseeing all County audits; planning and directing the implementation of County-wide policies and programs; evaluating the results of audits and providing recommendations to the Board of Supervisors; analyzing and resolving complex audit and operational issues; developing the annual audit plan and presenting to the Board of Supervisors; working closely with and presenting audit findings to the Board of Supervisors, County Manager, and other County management; analyzing and directing complex studies and projects to achieve increased efficiency; managing subordinate managerial and/or supervisory staff; directing the preparation and approval of the department's budget; overseeing all department personnel actions and issues. The Director reports to the Board of Supervisors.

Working Titles

- County Auditor

Glossary:

Market Range Title: Broad grouping of related positions with like job responsibilities and qualifications. Market Range Titles typically include positions ranging from entry level to senior/lead level unless indicated otherwise.

Effective date: The date the salary range was implemented for use.

Market Range Title Description: Broad description of sample job duties and responsibilities of positions included in the Market Range Title. Each position included in a Market Range Title also has a job description that is specific to the department. Departments are responsible for writing and maintaining job descriptions for positions in their department. Employee Compensation is responsible for writing and maintaining Market Range Title Descriptions.

Likely Minimum Qualifications: Typical minimum qualifications for positions assigned to the Market Range Title. Because a broad group of jobs in different departments are included in a Market Range Title, minimum and preferred qualifications may vary slightly depending on the area of assignment.

Market Range: The minimum, midpoint, and maximum salary points for all positions included in the Market Range Title.

Hiring Range: The hiring range for all positions is ordinarily the minimum of the market range to the midpoint. The use of a different hiring range must be approved by Employee Compensation. Departments should use a hiring range that is within their funding capabilities and are required to comply with the County's Funded Position Policy ensuring that applicants are extended a rate that is supported by the department's budget.

Working Title: The specific title used by a department to identify a position within their organizational structure. Use of working titles is flexible and aimed to assist departments in identifying the unique functions and responsibilities of each position and is representative of the assigned Market Range Title. Ordinarily, supervisory and/or managerial titles should not be used for positions not assigned to a supervisory and/or manager Market Range Title.
